

COMMERCIAL RUBBER TILES

RUBBER GYM TILE - 15MM BLACK WITH GREY FLECK

SKU 58271

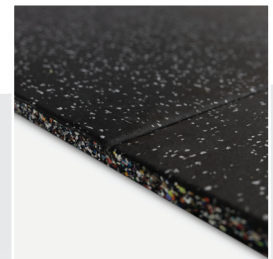

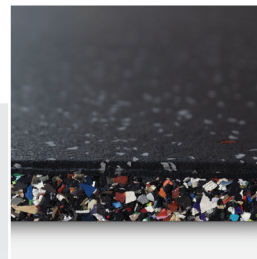

Rubber gym tiles are a popular choice for many commercial fitness facilities. Arena Flooring's Rubber Gym Tile - 15mm (Black with Grey Fleck) delivers a premium quality durable flooring system at an economical price. This high-performance tile provides comfort underfoot, aesthetic appeal and is easy to clean and maintain.

These 15mm thick tiles feature a straight edge and are manufactured for a seamless finish when installed. They are made to the highest standards and offer greater flexibility than fixed flooring options.

1m x 1m tiles provide the convenience of conducting targeted replacement of worn sections in high-use areas, or even relocating the floor if you move facilities.
