

ALPHAFIT

CORE ADJUSTABLE PREACHER CURLS

1 | FIXED BAR OR DUMBBELLS, TAKE YOUR PICK

The Core Adjustable Preacher Curl features both Spotter Arms and a Dumbbell Tray providing a safe racking option for either Fixed Bars or Dumbbells between sets. Both are HDPE lined to help protect your equipment. The bench can support a combined weight of 250kg and max lifting weight of 100kg.

2 | GET MORE OUT OF YOUR CURLS WITH THREE ANGLE ADJUSTMENTS

A key point of difference in the AlphaFit design is the adjustable arm pad which can be set to three different angles; 45°, 62.5° or 80°, allowing for more targeted muscle stimulation.

3 | FIND THE PERFECT POSITION WITH EASE

Featuring ten height positions in 20mm increments, the oversized linear rods make it easy to adjust the height of the machine to better accommodate a variety of users.

4 | HAVE THE OPTION BETWEEN A STANDING OR SEATED PREACHER CURL

The Core Adjustable Preacher Curl comes in two configurations; standing and seated. Easily upgrade your standing unit to a seated machine with the Core Adjustable Preacher Curl Seated Kit.

5 | WHEELS FOR EASY MOVING

Two Polyurethane wheels included in the machine's design, makes it easy for the bench to be moved anywhere in your space.

6 | PROUDLY MADE IN AUSTRALIA, CUSTOMISE THE PREACHER CURL OF YOUR DREAMS

The Core Adjustable Preacher Curl is 100% Australian made allowing us to offer an unbeatable level of customisation including colour and branding. Part of the newest range of AlphaFit Core machines, you can easily create the best strength setup for your unique space and training requirements.

Core Adjustable Preacher Curl Standing and Core Adjustable Preacher Curl Seated pictured in Charcoal Grey. Custom colours and branding available. Contact your sales representative for more information.
